

Our Core Values at Fired-Up are that...

...We are a youth and family discipleship group, not a typical youth group (Mat 28:19-20, 1 Cor 13:11).

...We purposely draw youth and families from many churches because the body of Christ represents all true believers (1 Cor 12:12-13).

...We emphasize turning the hearts of the fathers to their children and the children to their fathers. As such we don't have a youth leader, we will have many youth leaders...they are called FATHERS! (Mal 4:6)

...We strive to provide an environment of purity where the opposite sex is seen as brothers and sisters in the Lord, rejecting flirtatious actions, attitudes, and dress (Gal 5:16).

...We stress learning the Word, listening to the Spirit, and obedience to God in all things through applied teaching, small group discussion, and scripture memorization (Deut 11:19, Eph 4:11-15).

...We endeavor to build up men and women with the practical experience to be strong, Godly servant leaders, impacting the culture for Christ, whether in a church, family, or business (2 Tim 2:15, Mat 5:14-16).

...We offer parents exhortation, training, prayer, and accountability in their walk as they and their families grow in the wisdom of the Lord (Psa 86:11).

...We encourage living in a way that pleases Jesus in all we do, think, and say, because of all He has done for us (Phi 2:1-11, 2 Cor 5:9).
